MOTION FOR RECONSIDERATION OF DISMISSAL

Debtors move the court as follows:

1. For an order reconsidering and setting aside the order of dismissal, Docket No. 727, rendered on December 14, 2012.

2. The grounds for the motion are that the court in connection with the order of dismissal invited debtors to reconsider the order of dismissal in the event that they obtained counsel and were able to articulate the outlines of a feasible plan that could be implemented within a reasonable

1 period of time. In their Memorandum filed herewith, debtors have
2 set forth sensible proposals for dealing with their commercial
3 and real properties, and especially their real property taxes
4 and mortgage debt.

5 3. The motion is based on the Memorandum, the files and
6 records herein, and such other evidence as might be introduced
7 at the hearing.
